

A-101 | GROUND FLOOR PLAN

BAR ASSOCIATION HALL · BANSWARA · COORDINATED MODEL P01 · SCHEMATIC

DRAWING NOTES

1. Dimensions are in feet and inches unless noted otherwise.
2. Cut walls are heavy; partitions and fixtures are lighter for legibility.
3. D-tags identify door openings; W-tags identify window openings.
4. Door symbols include a wall break, hinge, leaf, and 90° swing arc.
5. Stair is a two-flight 180° dog-leg with a connecting landing.
6. Confirm all dimensions against survey and issued consultant drawings.
7. Local code, fire, accessibility, structure, MEP, and authority review remain required.

CUT WALL PARTITION / OPENING
